

Nourish 282 is a local non-profit started with a mission to help families in need throughout the St. Anthony/New Brighton School District (ISD 282). Nourish 282 provides monthly food assistance in the form of a grocery store gift card, a Free Store each fall for outerwear, a rental assistance program, additional gift card supplements during holidays and long breaks, and fresh produce during the summer months.

Enrollment into our programs is easy. Families self-choose to participate in any of our programs and we maintain discretion and privacy with all the families we serve.

Nourish 282 is managed by an all-volunteer workforce and raises funds from our generous and committed community members. We are grateful for the support of our school leadership and local community who understand that when we help children, we help shape the future.
